AUTHORIZATION AND RELEASE

I authorize the dentist to release any information including diagnosis and the records of any treatment or examination rendered to my child or myself during the period of such dental care to third party payers and/or other health practitioners.

I authorize and request my insurance company to pay directly to the dentist insurance benefits otherwise payable to me.

I understand that my dental insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.

CONSENT

- 1. The undersigned hereby authorizes doctor to take x-rays, study models, photographs of any other diagnostic aids deemed appropriate by doctor to make a thorough diagnosis of the patient's dental needs.
- 2. I also authorized doctor to perform all recommended treatment mutually agreed upon by me and to use the appropriate medication and therapy indicated for such treatment. I understand that using anesthetic agents embodies a certain risk. Furthermore, I authorize and consent that doctor chooses and amply such assistance as deemed fit to provide recommended treatment.
- 3. I understand that all responsibility for payment for dental services provided in this office for my dependents or myself is mine, due and payable at the time of services are rendered unless other arrangements have been made. In the event payments are not received by the agreed upon dates. I understand that a \$25 collection charge may be added to my account.
- 4. I understand that it is my responsibility to advise the dental office of any changes in the information contained on this form.

JEFFREY STOKES DDS 53 East Lake Mead Pkwy Henderson, NV 89015 (702) 566-4133

Thank you for choosing Jeffrey Stokes DDS to meet all of your Dentistry needs. We are committed to providing you with quality and affordable dental care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have developed this payment policy.

PAYMENT POLICY

- Insurance. We participate in most PPO insurance plans. If you are not insured by a plan we do business with, payment is due in full at each visit. If you are insured by a plan that we do contract with but don't have an up-to-date insurance card or information, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.
- **2. Proof of Insurance.** All patients must submit a completed copy of our patient information from before seeing the provider. We will need a copy of your driver's license and current valid insurance card.
- **3. Co-payment and deductibles.** All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered insurance fraud.
- 4. Non-covered services. Please be aware that some- and perhaps all- of the services you receive may be considered non-covered benefits by your insurance company, or may not be considered reasonable and customary by insurers. <u>Ultimately all charges for services rendered are the responsibility of the patient or guarantor.</u>
- Claims Submission. We will submit your claims to your insurance company as a courtesy to you. We will assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information to them directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your Insurance benefit is a contract between you and your insurance company; we are not subject to that contract.
- 6. Coverage changes. If your insurance changes, please notify us before your next visit so that we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 90 days, the balance will automatically be billed to you.

- 7. Nonpayment. If your account is 6 months past due, it will be placed with a collection agency. Once placed in collections, all fees incurred in collecting the debt, including any legal fees, will be added to the patient balance, and become the responsibility of the patient or Guarantor. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, you and your immediate family members may be discharged from this practice. If this were to occur, you will be notified by regular and certified mail that you have 30 days to find alternative dental care.
- 8. Missed appointments. After three no show appointments, you may be dismissed from the practice. Please help us to serve you better by keeping your regularly scheduled appointment. Any patient who does not show up for his/her appointment and does not call 24 hours in advance to cancel may be billed a \$25 no show fee. Our practice is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary for our area.

If you have any additional questions please refer to the <u>Fair Debt Collection Practices Act.</u> (FairDebtCollection.com)

Thank you for understanding our payment policy. Please let us know if you have any questions or concerns.

Sincerely,

Jeffrey Stokes DDS
